RE: #99000209

Dear Ms. Bradley:

Thank you again for the opportunity to tender the enclosed price quotation for your testing requirements. The quoted prices include the following services:

- * Analysis performed and reported using CLP-like methodologies with a fully validatable data package
- * An assigned project manager
- * Remote modem access into our LABNET system 24 hours a day 7 days a week to view preliminary results and project information including TAT status (client supplied PC w/modem)
- * Delivery of new sample containers, sample preservatives, cooler, preprinted chain of custody and container labels by ground shipment or courier.
- * Report will be available approximately 14 calendar days, holidays excluded, following laboratory receipt of the samples
- * SampleScan automated barcode sampling system which increases sampling speed and improves accuracy on large sampling events
- * Electronic data deliverable.

Attached is a copy of our General Terms and Conditions including payment terms. These term and conditions apply to all of our contracts and supersede all contrary terms or conflicting terms.

We appreciate your interest in Core Laboratories, Inc. and look forward to hearing from you with respect to this quote. Please contact me at (303) 751-1780 if you need additional information or have any questions concerning this information.

Sincerely,

Wendell D. Fischer
